The issue begins with the Hulk rampaging through a city. He is pursued by the military, but he is too powerful for them to stop. The Hulk eventually collapses from exhaustion, and Bruce Banner emerges from his body.

Banner is horrified by what he has done. He knows that he cannot control the Hulk, and he fears that he will hurt someone he loves. Banner decides to give up his life as the Hulk and return to his normal life.

Banner travels to a remote village in the Andes Mountains. He hopes to find peace and anonymity in the village. However, he is soon discovered by the Leader, a brilliant scientist who has been studying the Hulk.

The Leader wants to use Banner's knowledge to create an army of Hulks. He kidnaps Banner and takes him to his secret laboratory. The Leader subjects Banner to a series of experiments, but Banner is able to resist his control.

Banner eventually escapes from the Leader's laboratory and returns to the village. However, the Leader has sent his army of Hulks to destroy the village. Banner is forced to transform into the Hulk to save the villagers.

The Hulk defeats the Leader's army and saves the village. However, he is still haunted by the knowledge that he cannot control his powers. Banner knows that he must continue to fight the Hulk, even if it means risking his own life.
